

UPDATE

Water Bills will remain to be due by the 15th of each month; late fees are applied to accounts not paid by or on this date. Late fees are \$25.00 and this is applied on the 16th day of each month.

Effective immediately Water Bills with a past due balance will be subject to disconnection. Water Bills may be your only warning of potential disconnect. Service that has been disconnected for non-payment will require payment in full, plus a \$75.00 re-connect fee for the first offense and \$100 thereafter (additional fees may be assessed if account requires additional re-connections due to non-payment).

PLEASE NOTE: THERE WILL BE A \$35 RETURN CHECK FEE FOR ALL RETURNED CHECKS

Sewer Rates & Information

Sewer Tap & Availability Rates

Fees above include meter, meter box, tap, 10 ft. section of pipe from the main to the service connection, supplies and materials, hourly equipment rate, labor or other cost incurred during installation. This fee does not include the cost of boring. If underground boring is required to connect the customer to the city's existing water and/or sewer line, the customer shall be

responsible for this cost. A tap fee shall be charged for each new meter connected to the city water and/or sewer lines, even if several meters are connected by a single "tap" during connection to the same city service line. All fees must be paid at the time the application is submitted.

Specifications are available and required for any one installing their own water or sewer taps. Water and sewer taps will have to pass inspection by the City of Danielsville Water Department before service begins.

- 1) Be a licensed plumber and/or utility contractor (show proof)
- 2) Be on the list of licensed plumbers for the city
- 3) Show proof of liability insurance
- 4) 1 year replacement on meter and installation
