------------------	----------------

**Billing Procedure:** A bill will be mailed to customers monthly. If you do not receive a bill, please notify our office. **Failure to receive a bill does not excuse payment of your bill.**

All water, garbage and sewage payments are due by the 10<sup>th</sup> of each month. All water payments not received in the mail or drop box at city Hall by 9:00am on the 11<sup>th</sup> of the month or the first business day after the 10<sup>th</sup> will incur a \$15.00 late penalty. Disconnection will result for any account not paid by the 21<sup>st</sup> of the month. If the 21<sup>st</sup> falls on a weekend or holiday, water will be disconnected on the first business day thereafter. Your bill must be paid in full, along with a \$45.00 reconnect fee, before your water will be reconnected. The City may disconnect your water service for such reasons as returned checks, theft, tampering with meter or water property, nonpayment of water services or other services the council deems reasonable. Damage of City Water Department Property will result in prosecution of violators with fines imposed.

**Leak Adjustments:** If you notify our office that you have had a leak that has caused your water consumption to be higher than normal, it is our policy that your bill be adjusted for that period of time. Only one adjustment per year will be made.
