

LUMPKIN COUNTY WATER AND SEWERAGE AUTHORITY

RATE SCHEDULE: WATER

EFFECTIVE – January 1, 2010

The rate schedule for water furnished to customers shall be set from time to time by the Board of Directors for Lumpkin County Water and Sewerage Authority. A copy of the current rate schedule, including rates, tap fees, security deposit, and administration fees, shall be maintained on file in the office of the Authority where it is available for public inspection. The following is the current water rate schedule for Residential and Commercial users as approved by the Board of Directors for the Authority:

WATER BASE RATE - RESIDENTIAL

The Water Base Rate is billed to all accounts each month, regardless of water consumption.

Residential
5/8" meter service
