Sec. 36-136. - Stormwater user fee charge—Rate schedule.

- (a) In order to adequately fund the cost of providing stormwater services and facilities while fairly and equitably apportioning the cost of providing stormwater services and facilities among improved properties throughout the city, the City Council has established the following

---

stormwater user fee charge rates. A user fee charge rate schedule shall be on file in the Office of the City Clerk.

- (b) Stormwater user fee charge rates shall be assigned to all improved properties as follows:
  - (1) Residential properties shall be treated as containing one ERU for each 100 square feet, or portion thereof, of impervious area located on the property to establish the total number of ERUs for billing.
  - (2) Nonresidential properties shall be treated as containing one ERU for each 100 square feet, or portion thereof, of impervious area located on the property to establish the total number of ERUs for billing.
  - (3) The stormwater user fee charge rate shall be \$2.17 per ERU (100 square feet of impervious area) per year.

All properties shall be billed periodically for stormwater services on a schedule established by the City Council.
